WHY WAS THE ILLINOIS ASSOCIATION OF STUDENT ASSISTANCE PROFESSIONALS FORMED?

The Illinois Association of Student Assistance Professionals (IASAP) was formed in November 1990, in recognition of the need for the promotion of the field of Student Assistance and advocacy for Student Assistance Professionals. A group of professionals representing upstate, central and down state geographic areas responded to the challenge of developing an organization to address these needs. IASAP is the result. IASAP is committed to promoting the field of Student Assistance, assisting in developing the resources and skills of the professionals working in this field, and expanding the network of Student Assistance Professionals.
