December, 2011

Dear Prospective Exhibitor:

The Illinois Association of Student Assistance Professionals (IASAP) is holding its 19th Annual Statewide Conference on Thursday, February 9 and Friday, February 10, 2012 at the Hilton Springfield in Springfield, IL. This year's conference theme is "*Student Assistance: Surviving and Thriving in the 21st Century!*"

The conference committee would like to invite you to participate as an Exhibitor. Each year the conference attracts approximately 150 people from around the state. There is representation from every region of Illinois, and it would be an excellent opportunity to share your information. Conference participants include student assistance professionals, social workers, resource officers and school administrators who work with students in the area of prevention and intervention.

The exhibit hall is located in the heart of the conference action. Refreshments will be served in the exhibit area to encourage interest and activity at your booth. The exhibit hall will be open Thursday, February 9 from 8:00 AM to 5:00 PM and Friday, February 10 from 8:00 AM to NOON. For those wishing to participate, the exhibitor fee is \$200.

Conference registration is available to you at a reduced fee of \$85.00 per person, maximum of 2 individuals at that rate. This includes admission to all presentations, IASAP membership and CEUs.

We hope to have your agency or services represented at the 2012 IASAP conference. If you are interested in participating, please complete and return the enclosed registration form by January 25th with your check payable to IASAP and mailed to the address indicated on the registration form.
